

I have worked at **Accenture** as an **Associate Software Engineer**, mastered Full Stack development with the MERN stack for 6 months. Previously, my main focus was Mobile App development. I am passionate about exploring new tech stacks and leveraging them to build innovative solutions. Passionate, adaptable, and always eager to learn, I bring strong problem-solving skills and a commitment to delivering high-quality results.

Work experience

Accenture | Associate Software Engineer

Maharashtra, *India* | 02.2024 - 08-2024
